Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 26, 1996

SUBJECT: **SB 2138 - HB 2375**

This bill, if enacted, will provide that when a local school system has remained on probation for two consecutive years and the Commissioner of Education and State Board of Education concur that all members of the local board of education should be removed, the Commissioner shall appoint five responsible citizens from the district to serve on the board and they shall be authorized to appoint persons to fill the remaining vacancies.

Current law allows the Commissioner of Education to appoint three citizens to the local board of education.

The fiscal impact from enactment of this bill is estimated to be minimal.
